A permanent work zone has been established along the west side of West 4 Avenue between West 23 Street to West 46 Street so the contractor may widen the roadway and install a new drainage system.

Upcoming Lane Closures:

W. 44 PL at Frontage Road will be closed to allow culvert removal and reconstruction. Full Closure will be implemented only after W. 37th Ave is re-opened to traffic. The frontage road access at W. 49th St MOT will be open to allow southbound access to the businesses and residences located along the frontage road from W 44 ST to W 49 ST.

There will be a full closure at the W 29 ST and NW 57 Ave intersection to allow culvert removal. This full closure is scheduled from Sunday, July 21, 2013, to Friday, July 26, 2013. The closure will be 24 hours a day. Access will be re-opened by 6:00 a.m. on Friday, July 26. A detour plan has been established to guide motorists through traffic.

Projects: 1. SR 823/W 4 Ave/NW 57 Ave from W 23 St to W 46 St

Details: All traffic has been shifted onto the east side of the roadway. One northbound lane and two southbound lanes will be open at all times. There will also be one center turn lane available.
The frontage road access at W. 49th St MOT will be open to allow southbound access to the businesses and residences located along the frontage road from W 44 ST to W 49 ST.

Detour: Motorists traveling southbound who wish to go west on West 29 Street will have to:

- Turn south to go to West 23 Street
- Turn right to go to West 8 Avenue
- Head north until they reach West 29 Street

Motorists driving northbound who wish to go west on West 29 Street or going westbound along West 29 Street will have to:
